Briefing for Air Force on TADS

At the request of the DC Staff, a briefing and
demonstration on TADS (Telemetry Analysis & Display System)
was given on 19 November to Air Force Systems Command
Foreign Technology Division personnel. Three members of the
Comptroller's Staff, two members of the NFAC DP Staff, and
an OSWR/CAB analyst also attended. ▮▮▮▮▮▮   25X1A

ODP Planning Conference

The D/ODP met with 22 of his senior officers at a nearby
training site on 24-25 November to discuss a number of
strategic planning topics. Topics which generated the most
interest and discussion were office automation and
integration of SAFE into ODP mainline operations. The D/ODP
will meet with his Board of Directors in December to
consider the results of this planning conference and make
appropriate policy and resource decisions. ▮▮▮▮▮▮   25X1A
